

# Dillon Christensen

---

<j.dillon.christensen@gmail.com>  
918-284-2712

## Objective

---

To find a position that allows me to actively pursue rapidly evolving technologies and concepts with a focus to keep my company at the cutting edge of today's online world.

## Bio

---

I am self-taught and self-driven in all the skills I have accumulated over the years. I began as a web developer and today build everything from small static webpages to complicated mobile applications. My portfolio of experience extends to websites and software solutions in multimedia, medical, retail, and publishing industries.
